ANNOUNCEMENTS

Destination Jesus

D.J. continues to be an inspiration to those who attended our diocesan retreat this past weekend. Whether it be their 1st, 2nd, 3rd time (or more) experiencing this sacramental encounter, our high school students and chaperones come away with a profound and genuine union with our Lord Jesus Christ. Thanks to all of you who committed to attending this year's conference and remember..."Know your story" and "Take the next right step."

Catholic Press Month - February 2017

"My thanks to individuals and parishes who comprise our subscribing readership. By supporting the print edition of *The Catholic Moment*, you facilitate our Web site and Twitter products, too. Diocesan staff visits to parishes repeatedly surface the desire to learn from the bishop and priests. On this point, please know that the paper is "my" voice—the whole thing, not just my columns.

Here in our country, a vigorous debate continues about religious liberty, which is a larger reality than the freedom to worship inside our walls. One central issue is the cherished freedom of conscience threatened in many legislatures. All of us share a responsibility to support the liberty that our Constitution protects, and our humanity deserves. Our Catholic media, then, are not only religious, but also patriotic in the deepest sense.

Please continue to support *The Catholic Moment* and other Catholic media that present the authentic facts and values necessary to our flourishing."

— Bishop Timothy L. Doherty
(Catholic Moment -Feb. 19, 2017)

Subscriptions for the diocesan newspaper, *The Catholic Moment*, are due this month. An envelope for this is in your box of envelopes. The subscription for the paper is only \$22.00.
